Try to make it a daily occurrence. Try to be what the scriptures have outlined for to be, as children of the latter day.

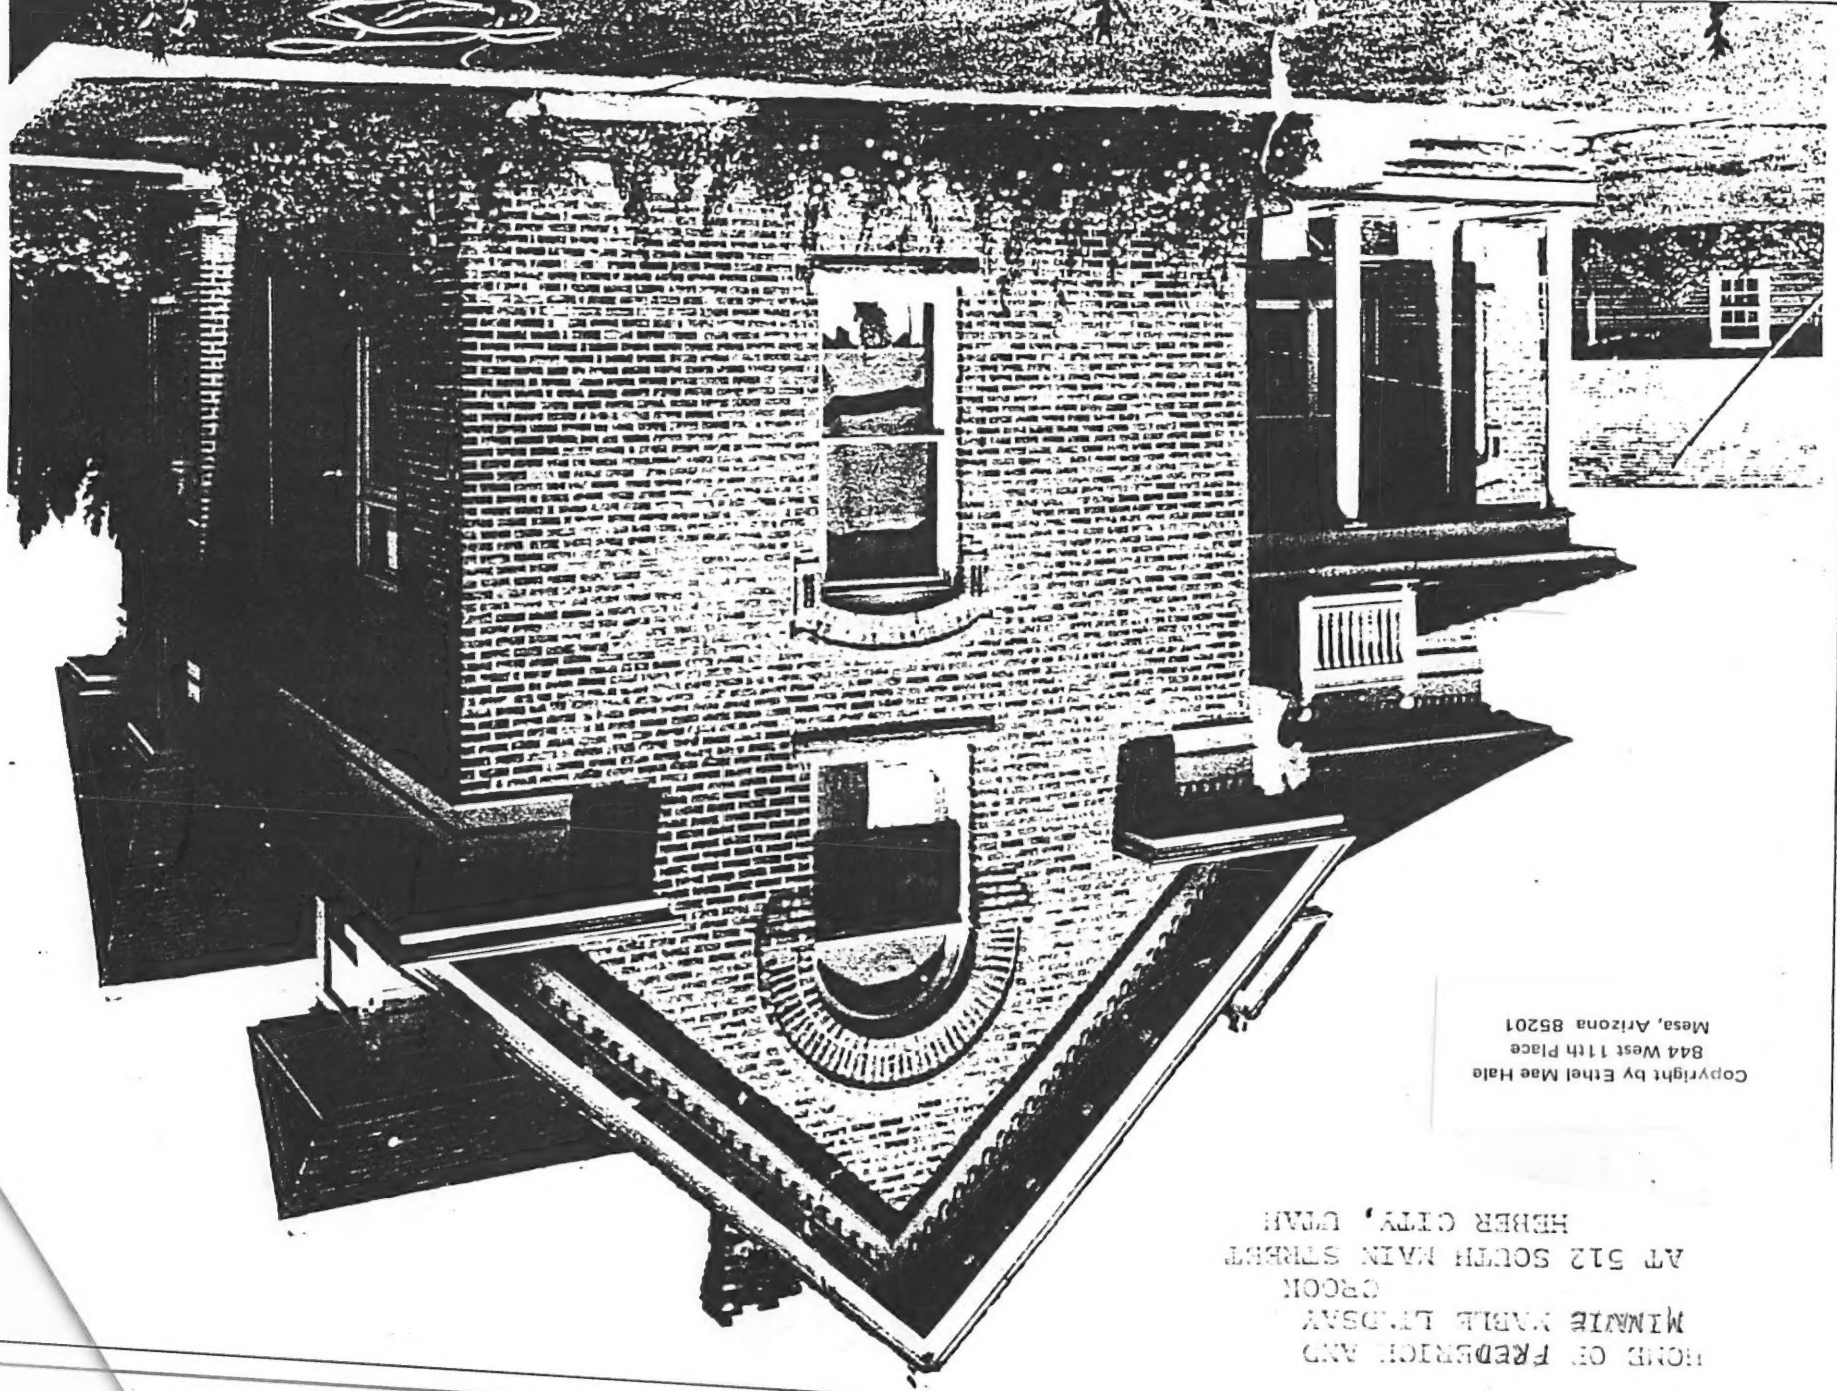

We pray thee, Heavenly Father, to buoy this, thy daughter, up. Strengthen her in times of bereavement and sorrow. Give her the needed blessings of thy holy spirit through the Holy Ghost. Let it be a guide in her life as she seeks that spirit

diligently and earnestly before thee. We pray thee, Heavenly Father, that thou wilt guide her and protect her in all that she does.

I bless you with encouragement and comfort. I bless you with the power and

spirit of seeking an education to the fulfillment of your dreams. I bless you that

you will seek out and develop the talent which through the Lord was given unto you
